In the restaurant you can not only enjoy the delicious delicious dishes, but also the hypnotizing view of the local **must-sees**. In addition, the sweet desserts of the local shine not only on children's plates or in the eyes of the little guests. The *Asian fusion cuisine* is likewise an important part of Babucci. Anyone who finds the usual and generally known menus too ordinary should approach with a willingness to experiment and try some unexpected combination of ingredients eat, and you may look forward to the fine traditional seafood cuisine.
