The food was excellent and the service was quick and friendly. [read more](#). doesn't like about Friend At Hand:

Honestly, I do not know if this pub has even other vegetarian or even vegan dishes, but you should definitely try the vegetarian halloumi fish and chips tartar sauce , it is delicious! We wanted to eat something typical, and I am glad we found thé best vegetarian alternative for fish and chips! : [read more](#). During a meal, a good drink is essential. In this **gastropub**, you not only get delicious cuisine from the menu but also a comprehensive and particularly good selection of good beers and other alcoholic beverages that go well with the food, there are also **fine vegetarian recipes** on the menu. You have the option to, after the meal (or during it), still relax at the bar with an *alcoholic or non-alcoholic drink*, The yummy sandwiches, healthy salads and other snacks can be planned well as a snack.
