If you're desiring some spicy South American gastronomy, you're in the right place: delightful menus, prepared with fish, sea creatures, and meat, but also *corn, beans, and potatoes* are in the menu, there are also tasty [vegetarian](#) menus in the menu. You can also relax at the bar after the meal (or during it) and enjoy a alcoholic or non-alcoholic drink, and you have the opportunity to try scrumptious American meals like Burger or Barbecue.
