Heighington Take Away:

we have eaten several different meals from here in the last few months and they were all excellent! it's easy to order online, but we don't wait for the online app to tell us if the food is ready (we would still wait! we only give it 15 minutes and pick up the food. friendly people and fast service. about Heighington Take Away:

HORRIBLE! Not a single redeeming feature... Food isn't fresh, but cold and pulled from tubs! Staff pick up salad and fries with their HANDS!! If you say anything, they'll joke about you in their foreign language! No menus on the walls, only paper, which they don't stick to. After I'd already paid for my meal, the server told me I wouldn't be getting certain items, and no refund! Because.... Errrr.... the menu in their head... [View all feedback](#).
