a very nice place located in the forest. a very nice farm in a restaurant that can accommodate many people. It's better to reserve for room. the place is very popular with people in the region but also by occasional walkers.

Thankfully, the day I passed. there was a Christmas market where several craftsmen exhibited. [View all feedback](#). What [User](#) doesn't like about La Ferme Des Loups: disappointing. After a dinner on Saturday night and a successful stroll with picnic, we went back with six people for pancakes. The ordered hot boozes weren't served right away, and they came on the table, the mikado pancakes that followed were freezing. We immediately reported the ice-cold pancakes, but none of this was done. When we left, we ended up getting the full account presented. [View all feedback](#).
