What [User](#) likes about Spice Magic: there are few Indian restaurants in london. and spicy magic is truly magic. I loved the two bajji and tandoori huhn. I remember india and it's just as delicious. [View all feedback](#). What [User](#) doesn't like about Spice Magic: Our go to Curry house on Northfields Ave. Good food but it's the way they look after you that makes the difference. Super family friendly, great atmosphere and very consistent food offer in the restaurant or via take away delivery [View all feedback](#).
