What [Kelly G](#) doesn't like about *Gusto Cafe*:

Came for a full English after reading good reviews, was disgusted what can out on my plate deep fried chippy sausage, undercooked bacon an basically raw mushrooms, burnt hash brown and burnt toast!! How they have good reviews saying best breakfast in town I do not know!! The lady even asked if my tea was weak enough??

Weak tea! I knew it was going to be awful from there! Had to leave an go oddies! [View all feedback](#).
