We were there for two pints. There was a nice sitting area outside of the pub but all packed. They didn't have a variety of draft and they all ran out at the end of our staying. Very nicely decorated and clean. Generally all was good! [View all feedback](#). What [Dominik M](#) doesn't like about Cat Mutton:

Went specifically for the Wing Wednesday deal that was prominently advertised during the weekend market only to be told with no explanation that the deal was not being honoured. Average food and drinks, very expensive given the quality, but to be expected given the location. Service was hit and miss, generally quite slow. [View all feedback](#).
