went had a delicious curry in here, the staff were all really friendly, fantastic eating, good proportions of which I couldn't eat everything, so they gave me a tub to take the rest after home, best Indians I've ever had, I would have it before, I would highly recommend going here [View all feedback](#). What [B9162SKbrandonj](#) doesn't like about Kirans Balti:

We have had takeaways for a few years and they are never the same,ie keemanan,no meat,just like a normal Nan,meat is sparse,the only time they get it right is when we complain,never have another,as you think they would look after their regulars,I bet they don't mess up when you eat in the restaurant.never have another one I forgot to mention,a long black hair in the curry x 2 [View all feedback](#).
