Have to say they are the best fish and chips I have ever tasted. Every time I visit this area I have to call for my fix. I like in Merseyside and I wouldn't think twice about driving the nearly two hours trip just to get fish and chips from here. Staff are friendly too so added bonus. [View all feedback](#). What [Sally M](#) doesn't like about Rob's Fish Chip Shop:

This has to be the slowest service in a chip shop EVER! One really slow person serving...2 speeds, slow and stop!. It's the same every time you go in. I am now changing venue as I can't stand the painful wait. DONT use this chippy if you are in a rush. [View all feedback](#).
