I honestly can't reconcile others comments with my experience. We had brilliant fish and chips, yes BRILLIANT. Super tasty, freshly cooked, generous portion for the price. Yes I was asked to wait outside, but that's pretty standard across Cornwall, and rightly so. I was very pleasant to the staff (owners) and they were pleasant back too. [View all feedback](#). What [Andrea Edwards](#) doesn't like about Shop In The Square:

SERIOUSLY small dry portions. No love in the food or the service. Unfortunately Cawsand is limited for takeaways so in my opinion these folk are milking this situation. There is however an amazing fish and chip shop in Millbrook with lovely attentive staff and management and absolutely beautiful fresh fish and chips and huge portions! [View all feedback](#).
