(Translated by Google) A nice place The staff was very friendly and did its best to help us with the menu in English. The food was delicious and the pepper sauce licked her fingers well. Very good inside and had a good time there. (Original advice) Quite a beautiful place The staff was very friendly and tried very hard to help us with the menu in English. The food was delicious and the pepper sauce was finger licking good. Very good Interiors and had a good time there. What [User](#) doesn't like about Brasserie Pico:

Reserved by social deals for breakfast this morning. And we came up with a lot of hunger and this one was closed, here on the ground in a newspaper with an annual leave where even no date is when. Everything was completely abandoned, and I was told in the albert hein in that square that it's apparently bankrupt. Very disappointing, after paying and reserving, and there's nothing here.
