Excellent little find and very pleasant service. Went for breakfast and had both the meat and vegetarian breakfasts and was fresh and tasty. Good attentive service. Would recommend. [View all feedback](#). What [User](#) doesn't like about Kouzina:

We had to wait minutes for food. No apology- people arriving after us fed before us not good. When the food arrived it was only warm and on cold plates. When we left most of the tables we unoccupied and not cleared. The...food was reasonably tasty. Not the sort of place that deserves our hard earned money Geoff [View all feedback](#).
