the weeping willow has a wonderful garden and also a great decoration scheme in it is truly stunning. the selection of foods was diverse and interesting. we felt that our appetizers came right away, but the main courses took one because to get there, but we could see. that cook freshly to order. we enjoyed eating in the weeping grazing, but the service was really terrible. Slowly! I expect more about the price point and the way they mark themselves. it really influenced our overall experience. [View all feedback](#).
