What [User](#) likes about The Cafe: what a great place. amazing building. full of appreciation, brilliant selection of works of art, historical treasure and natural history sections. all with easy to understand information clearly displayed. the best choice we've seen in a place for a long time. very enjoyed our day here. good caffeine too. highly recommended [View all feedback](#).

What [797dennisp](#) doesn't like about The Cafe:

Since this is another free entry Museum in Glasgow and donations are not obligatory it would be a small way of helping the admin of this wonderful establishment to at least buy a snack while on your free visit !! To see all that this place has to offer would cost way more than a scone and a coffee in most other countries. Please therefore donate by way of the Cafe !! [View all feedback](#).
