we arrived shortly before the conclusion and they could not come back. had a fantastic large cup coffee together with the most beautiful coffee and walnut cake (like a big part). my man had a milkshake and a beautiful chocolate cake. somewhere I would definitely go back and the little shops were also good. What [sezloo](#) doesn't like about The Courtyard Cafe:

Visited today after not having been for a while after a disappointing visit. Ventured in today feeling hopeful. Empty on arrival. Seated and served promptly. Over priced cakes. Lemon appeared to be missing from lemon drizzle cake, very bland. Coffee was good. Atmosphere was not very friendly. Smell of toasted/fried food lingers in the air and on clothes. A shame as used to be a vibrant place to meet and socialise. [View all feedback](#).
