Visited early evening with family on a Monday night. Very quiet at that time. Staff very attentive and served with drinks at table very quickly. Food was very good and plentiful. I had chicken pie, plenty of chicken in it, well prepared other members of our party had different choices, burger, wraps, risotto and all were good. Plenty of room and even tables outside if you are lucky with the weather [View all feedback](#). What

[Memoriesoverthings28](#) doesn't like about The Slug And Lettuce:

Plenty of options on the menu but not the best tasting food. Sort of your typical pub but nice interior design. Poached egg came out more like a boiled egg. Good service however [View all feedback](#).
