Delicious food with great understanding of allergens. Dominic was extremely helpful and informative, he was able to advise alternatives if what I had chosen contained allergens. [View all feedback](#). What [Handybob](#) doesn't like about Brasserie And At Malmaison Oxford:

Not the best.. Below average on most things, suggest keep away from the Calamari (unless you're partial deep fried weetabix), the soup , well with a dollop of Bargie really !More positive, the chicken was very good, the house wine was good and water for the table came quickly .. If your on a budget and not too fussy .. this is the place for you. [View all feedback](#).
