I checked out the reviews before heading over and I must say we weren't disappointed, what a slick operation everyone knew what they were doing and although busy we didn't wait long. I must say one of the best Chinese we've ever had! Amazing! [View all feedback](#). What [Thomas R](#) doesn't like about China Kitchen:

We have been so frustrated with this take away for a long time, the food is spectacular but my god they can never have an order ready on time. I waited an additional 25 minutes tonight. Got a refund and went to the other chinese. Just get orders ready on time and this will won so much business. For now, go elsewhere. [View all feedback](#).
