A complete [menu](#) of Libby's from Stockport covering all 17 menus and drinks can be found here on the food list. Libby's, once a beloved café for locals, has recently experienced a decline in service and food quality. Patrons have noted inconsistent staff attentiveness, menu changes that have not met expectations, and rising prices that don't reflect the value. While some visitors still find joy in the atmosphere and certain menu items, others express disappointment over specific dishes and uncleanliness. Nonetheless, the restaurant has also garnered positive feedback, highlighting delicious tapas and a pleasant brunch experience. As Libby's navigates its transition under new ownership, there is hope that it will reclaim its former charm and reliability.
