What [User](#) likes about Railway Inn:

Nice modern refurbished pub which seems to have turned its focus on being a restaurant over being a bar .The staff are very welcoming and helpful and the food is outstanding .We had a sunday roast which was all cooked perfectly and the meat(beef) was to die for .We will definitely be returning to sample other dishes on the menu

the service was good, but the food was nothing special, had the chili ridge noodles, tasted as if they had used super noodles! my partner had the chicken dish that was overcooked and little taste [View all feedback](#).
