What [User](#) likes about Tempting Tattie: visited tempting tatties during a stay in edinburgh for a few days, we just wanted to have a quick lunch to get back to our apartment. To be honest, the best kartoffels we've ever had. we had chicken Chinese curry as filling and it was delicious. will definitely visit again next time in edinburgh. [View all feedback](#). What [User](#) doesn't like about Tempting Tattie: I tend to stay away from carbs (they know to use my figure and all), but heck, the smell of baked potatoes is very luring. my fav filling is definitiw her spicy sausage. but be warned. it's really hot! it's not just with names. I love my spicy eating and was pleasantly surprised that it is not a diluted version of spiciness. [View all feedback](#).
