What [User](#) likes about White Lion:

very safer and positive place to visit while covid met friends in the garden area and had a very good and safe service for drinks. I hope they stay open and go as very nice pub that I am sure doing great meals when ordered.

meal was nice simply not the feeling, we have worth for money. starter quite a lot about £10, I ordered seebass, which about a 6-8oz piece with 4 new kartoffels in the half and some rocket and kapern £27, I really don't mind paying for good food, but our bill was £340 for 6 of us 3 were driving. no real complaining just didn't feel like I was back. underwhelming treatment art by place.
