friendly, tasty and spacious, this cafe is worth a good try. we paid two appetizers and two main things with a common drink. the venue is in principle, but pleasant and central. service is fast and free of charge. it's simple, but it's delicious. I find it hard to believe that this place is one of the highest rated restaurants in Coventry. The food isn't bad but not great either and the atmosphere is a bit weird. [View all feedback](#).
