WOW!!! What a great meal. I ordered the double bacon cheese burger with fries, my son ordered the pepperoni **pizza** and my daughter ordered the goats cheese Burger with fries and garlic bread. It all came hot, fast and was super tasty. I won't be ordering from any other **pizza** place from now on. [View all feedback](#). What [FlyPorsche](#)

doesn't like about The **Pizza Post**:

One to avoid. Stingy on toppings. Parma ham almost non existent with only traces to be found. Cheesy dough balls had no cheese. When asked about this they advised they are cutting back on ingredients! If this is the case then they should have said beforehand. Plenty of other take away **pizza** joints available. Rubbish.
