Great tasting ice cream and a good selection of flavours. I think they could maybe make a little more of it by offering a greater menu (and if there is one, we didn't see it) [View all feedback](#). What [Marie H](#) doesn't like about Chill At Planet Ice Cream:

Came to this ice cream stall spent over £20 on ice creams for the family I would actually give a zero rating if it would allow me to. The customer service was awful It was raining very heavily so we took a bit of shelter under his canopy as we had a elderly relative in a wheelchair but he told us to move as we were bad for business [View all feedback](#).
