This is a really good fish and chip shop. Always fresh crisp chips. Never soggy. Fish always cooked fresh. Really good portions and good selection of vegie options. [View all feedback](#). What [nigeldebbie](#) doesn't like about Saltdean Fishbar:

Cold chips. Greasy. Thought I'd re try after a previous poor visit. Seems the quality is still poor considering what they charge. I'm not giving any more of my money to this establishment [View all feedback](#).
