Excellent service and delicious food. Lovely pub. Step to get in and toilet with grab handle but not suitable for a wheelchair. [View all feedback](#). What [User](#)

doesn't like about The Stumble Inn: visited as a family on a Saturday night. ground for stars: the service was very slow, the young lady who served us was not a natural person and left us for a very long time. both steaks were boiled over and on such a small plate that all the other food was completely over them. very ancient fashion pub but I wouldn't be back.
