amazing night last night for my birthday meal. the manager and the staff couldn't do enough for us. They were very busy yesterday, but nevertheless we felt like their only customers. played happy birthday when we bought the cake out. eating was as always absolutely amazing. many thanks to all employees . View all feedback. What User doesn't like about Spice Of India:
a fairly average place that serves good Indian food. the food was good, chickens were made perfect. the madras curry was sufficiently spiced as we wanted. the stewards smiled and came, serving parsi dishes like dhanshak, I am seriously not brave enough to taste parsi cuisine in hounslow. a good place for an Indian evening View all feedback.
