What [User](#) likes about The Sun Inn: since the renovation, this pretty little pub has given itself a new leasing contract while preserving the feeling and history of the sun inn and the battle of marston moor. really friendly and welcoming renter and renter, plus eating is fantastic and very cheap, so well we went back for Sunday dinner in the same week (safe were not disappointed again) again often I am sure! so beautiful that they can stand at the bar... What [999gerry](#) doesn't like about The Sun Inn: Based on the reviews on here, my wife and I made a trip to this pub for beer and food only to find the car park blocked by concrete blocks. The pub appears closed and there's a sign asking for new tenants so we're assuming it's temporarily closed. [View all feedback](#).
