What [Peter C](#) doesn't like about Jasmine Bakery House:

We have been going to this shop for a while. The people who work there cannot add up or are very dishonest. If one buys quite a few things add up the total and see if they asked for the right amount. In our case we have caught them over charge us by minimum £1 then anything up to £2. Very dishonest. We are not the only ones they have tried it on. They have been doing this for years.
