What [User](#) likes about Paramount Indian: the place was seen here, I was a child and the taste is still the same as the old days. a thing to try when they go here is the methi huhn and it is a must to do the personal and service is amazing. [View all feedback](#). What [User](#) doesn't like about Paramount Indian: eat under average. no lighter in the washroom. they said they had opened just after a break of a few months, and with that the place was a bit creepy. but eating was a great disappointment. would not recommend if they were looking for authentic Indian food. I'm sorry, but that's the truth. [View all feedback](#).
