beautiful, ultra clean and modern pub on a quiet street perfect destination for a weekend or a ride. many seats inside and outside to provide a few hundred people. great food and service. I've been driving by many times, but my parents met one at the other day and we all loved it. fantastic! [View all feedback](#). What [Stephanie W](#) doesn't like about The Greenman Inn:

Asked a waiter if we had to order at the bar after waiting for over 15 minutes. Told he would be with us in a minute. After another 10 minutes another waiter said they were no longer serving food. He said it was our fault for sitting at a table. I think it was because the chef wanted to watch England vs Wales. [View all feedback](#).
