What [User](#) likes about Shanghai Bay: the dimming amount was not badly quite authentic. but prepare for a long wait, especially at the busy weekend and when they are a large group of people. the staff there moved very fast, but still friendly. What [JajoHampshire](#) doesn't like about Shanghai Bay:

I used to visit this restaurant many years ago when it was great but obviously things have changed. Staff were snappy and acted like we were a nuisance we even had to ask are you open due to the strange reception we received and thought maybe they were trying to close. Chicken curry was quite bland and my beef chow mein was strange tasting. I would never eat here again to be honest. [View all feedback](#).
