Friendly staff. Vegan options. Had a vegan sandwich with hummus and avocado, plus salad. It normally comes with olives – when I asked for these to be left off, the staff immediately offered me an alternative, unprompted.

Sell nice bread. Not particularly cheap but worth stopping for a snack/lunch. [View all feedback](#). What [Brit backpacker](#) doesn't like about Aga's Little Deli:

Had to change my baby's nappy on the cubicle floor. There is no excuse in this day and age when you can buy pull-down change facilities that work in tiny spaces. Disappointing considering cafe clientele and the fact they advertise themselves as breast-feeding friendly. [View all feedback](#).
