fabulous staff so friendly and attentive, beautiful atmosphere, and delicious eating so well presented. the homemade chips are for yum to die! had a nice evening here, 1. visit, but will definitely be back. a wonderful outdoor area, for the summer evenings. look at the presentation on this sticky toffee pudding! and it tasted even better! Recently refurbished to high standard. Unfortunately the chicken supreme wasn't served with any sauces just plain roast chicken breast. Half a mushroom and half a tomato. Chips. When querying about sauce was told it didn't come with one but could order one separately at £3.50 each [View all feedback](#).
