Good vibes, decent coffee and lovely staff. I didn't eat however it all looked splendid too. Would recommend.

Music was a good level in that you can still have a conversation and relax. [View all feedback](#). What

[mikebandophones](#) doesn't like about The Little Man Coffee Company:

Pleased when told my old style loyalty card was now complete, displeased when an hour later a different server said it was not valid (as it had combination of stamps and punched holes). Seems like loyalty depends on who you ask and works one-way. Important? No. But does spoil the taste of an otherwise consistently good coffee.
