great customer service, really good food. not their blog standard Chinese takeaway, dishes are presented differently than western expectations, but still absolutely delicious. good prices and friendly staff. [View all feedback](#). What [User](#) doesn't like about Jimmy's Kitchen:

Food is great. Only take cash which didn't help the customer in front of me as the cash machines were empty. He didn't get his food. I have one gripe, I don't like places that leave you standing there whilst they answer the phone which rang after you walked in. Bloody rude in my book. [View all feedback](#).
