My wife and I thought that we'd try this café just off the Billericay High Street. We chose the poached eggs on toast. The eggs were cooked to perfection and the service was friendly too! If you haven't tried this place before it's worth a visit! [View all feedback](#). What [PeterS700](#) doesn't like about The Breakfast Room: Very average greasy spoon. Not worth giving a review really. Builders cafe. Would not go back, would rather eat at home. There are much better cafe in Billericay. [View all feedback](#).
