What [mikebQ3688CA](#) doesn't like about The Vineyard Kitchen:

Monday night with a group of 10, with only one bar staff taking the orders, serving customer and then waiting on the tables, I felt sorry for the man! The food took quite a while, but when it arrived it was nice as usual. This place always, doesn't have something on the menu. ALWAYS! It's a running joke now when I go in. I had the ricotta and spinach canalone, and this was really nice. I would recommend. [View all feedback](#).
