I was not with a nando's since a while, was pleasantly surprised and delighted with the service and helpfulness of the staff. Although I was not very happy with the speed of the meal for my friend, there were three of us all ordered at the same time, but his meal came about 20 minutes after, so we had almost eaten until he began.

the personal was very friendly and attentive. [pizza](#) and pasta were however worse than prepared that they could buy from a super market. toilet facilities require cleaning and regular review (the smell was noticeable in the dining room! [View all feedback](#).)
