What [Richard E](#) likes about Big Fish:

I discovered this hidden gem recently and keep going back. Firstly I was hooked on the amazing ribs (huge and plenty of meat) since then I have started going through the menu I can highly recommend The Szechuan house special, packed with all meats and plenty of different vegetables too and packed with flavour. This is definitely the best Chinese food available anywhere in Wallasey [View all feedback](#). What [Mike P](#) doesn't like about Big Fish: This place is a very good standard, but for Tripadvisor to put it in the fine dining category??! This will simply put up expectations way beyond what is possible in a good, competent, friendly chippie. Shame on you Tripadvisor, or in event the person who posted it as fine dining.
