Afternoon tea was very nice, the only thing I can say was a problem was trying to find someone when we arrived, it took 10-15 mins to locate someone. We had a very pleasant afternoon and the food was lovely and plentiful.

We would happily go back again. Perhaps you need to upgrade your disabled ramp. [View all feedback](#). What [tom1116](#) doesn't like about Scottish Highland At Knockomie House:
service excellent, carvery, false advertising it was just a set menu. beef was chewy, veg was under cooked and hard. nut roast was spot on. we were the only people in and the chef still got it wrong. unbelievable. We complained and got our meals for free. didn't expect that but good on them. Shame!!! expectations were high but we were left disappointed. [View all feedback](#).
