Great service, the chocolate was amazing. Highly recommend. The cake is also very nice. Nothing bad about it.

If your passing by it's a great place to stop. Dogs are also welcome in the cafe. [View all feedback](#). What [hilltopOxon](#) doesn't like about Rumsey's:

This could easily be a 4 as the coffee and cake biscuit selection is good . Unfortunately on more than one recent visit the service has been lacking : slow to show us to a table , take orders and occasionally a surly attitude not always but too often . mall home made choices with the coffee are a nice gesture [View all feedback](#).
