What [User](#) likes about Khan's: excellent food with good service. on Friday evening before entering the cinema for a fast curry. the service was excellent that we told the waiter that we had only minutes, and he ensured that we were served with double speed and in sufficient time; and he also gave us good recommendations on what it is. eating was excellent, not too oily/fatty, with the tarka dhal and green marsala especially good. I would recommend... [View all feedback](#).

What [User](#) doesn't like about Khan's:

as from bengali origin, I am familiar with curries and this place reminded me of restaurants past. the dishes were very standard, the only was frozen, without doubt. the rest of the food was best moderate. there are far too many new authentic places with better directed everywhere. not sure how it got so good reviews, maybe from locals liked.
