Recently reopened after a major refurb. Made room for cafe without losing too much shop space. Not sure they have the flow right but enjoyed the shopping experience. Nice colours and decor which will be given to all their outlets in due course. [View all feedback](#). What [User](#) doesn't like about Cafe Vero At Birds Bakery:

Lovely refurb but we tried to have lunch there but my mum wanted a scone but this could only be served on a napkin and without butter as we were informed that they couldn't serve butter due to food safety. Why is butter a risk and why are people being expected to eat dry scone? Strange. [View all feedback](#).
