[User](#) likes about Dala Indiskt Kok:

For a long time I ate Indian food and based on early reviews of this place I was little skeptical. But I'm very glad we wanted to eat here. Everything we ordered was really good, authentic and very pleasant. The staff and the owner were very nice to us. The price is not more expensive than any other restaurant, so I definitely come back.

And they take cash, which is very welcome! [View all feedback](#). What [User](#) doesn't like about Dala Indiskt Kok: Over estimated and shocking bad quality. I have eaten in Indian restaurants throughout Sweden and you need to have low expectations over other European countries, or India itself. That was unusually terrible. I wouldn't eat there for free. Reheated chicken given to children, stodgy naan, ridiculous amounts of oil in the sauce., eating on another table I had to go to ask for glasses for water, had to ask for cutlery....
