What [User](#) likes about Moonlight Indian:

I cannot recommend this restaurant highly enough. Food was delightful. Staff were thoroughly polite and attentive without being overbearing. We left well fed and for A VERY reasonable price. Would thoroughly advise you to try this restaurant. I have been lucky enough to eat at some too restaurant around the world and this place ranks up there with the best. [View all feedback](#). What [eisak](#) doesn't like about Moonlight Indian:

Very poor service, but mainly the kitchen I guess who give priority to their takeaway customers. You sit there for an hour plus and watch the endless food go past to takeaways. Lots of sorrys but no food. When it came it was just about OK, my curry dish had no heat to it. Tried it but never again. [View all feedback](#).
