the entire leisure park has grown since my last visit over 10 years ago. there are many shops and shops, etc. if they want to see everything, they make sure they leave a lot of time. my main visit was in hollywood bowl. it was manic with so many people. but worth it. Disappointed with [vegetarian](#) options very limited and then two of them were unavailable. We were two couples, grandparents and grandchildren, eating before a show. The food no better than 'pub-grub', chicken burger very dry, other food passable, drinks ordinary. Would possibly go again, if going to a show, but there are many other eateries...
