no reviews since last august? siam smile is a small restaurant in the fashionable opposite of the suffolks that I have eaten there at many places and always enjoyed eating that is fresh and tasty, and the attentive service. one of our four party declared their court (pla sea bass neung) as one of the best meals she had ever eaten. worth visiting when they enjoy Thai food. We were very disappointed as to how hot the food was, which resulted in an unenjoyable evening. Because the restaurant advertises Malaysian and Thai food, we expected to be able to choose spicy Thai food which is milder. Staff were friendly, but menu needs alteration...to show both cuisines [View all feedback](#).
